Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work on IL 2 near Rockton will begin on Monday, July 25, 2016. Repairs will be made to the bridge carrying IL 2 over the railroad and Old River Road just south of the Rock River. Civil Constructors is the contractor for the \$290,270 project that is scheduled to be completed by early September.

The contractor will be replacing expansion joints on the structure and making repairs to the bridge deck. Traffic will be restricted to one lane in each direction for the construction work. Motorists should be alert for the lane closures and should be prepared for slower moving vehicles through the work area.

Please slow down and use extreme caution while driving through all work zones.
